

Master of Business Administration, Concentration in Management Consulting

Program Overview

Fully accredited by the Accreditation Council for Business Schools & Programs (ACBSP), the Caldwell University MBA program will help you achieve your personal and career goals at a highly competitive cost-per-credit. Strong emphasis is placed on personal growth and individualized attention to learning through small class size, practical skills and compassionate faculty who focus on practice beyond theory.

Traditionally seen as external advisors brought in for specialized projects, management consultants have now become integral partners in shaping organizational strategy and driving long-term success. Forward-thinking management consultants operate at the nexus of strategy, leadership, and execution. They collaborate across functional teams, influence key stakeholders, and lead organizations through transformations that ensure competitive advantage in today's dynamic economy.
