

Master of Business Administration, Concentration in Healthcare Administration

Program Overview

Accredited by the ACBSP, Caldwell University's MBA program supports personal and career goals at a competitive cost, emphasizing personal growth, small class sizes, and practical skills guided by compassionate faculty. The Healthcare Administration concentration equips students with essential business and healthcare-specific expertise, covering areas such as healthcare finance, strategic planning, operations, and leadership. Taught by experienced industry professionals, the program prepares graduates with a solid foundation and competitive edge for success in the healthcare field.

What You'll Learn

Caldwell University's MBA in Healthcare Administration prepares students with essential leadership skills for the healthcare field. The program emphasizes flexibility, adaptability, attention to detail, and empathy, along with a patient-first approach. Students develop strengths in strategic decision-making, teamwork, collaboration, and emotional intelligence, while gaining expertise in technology management and relationship building. Effective communication is also a core focus, equipping graduates to lead with compassion and strategy.
