

Master of Business Administration, Concentration in Human Resource Management

Program Overview

Caldwell University's ACBSP-accredited MBA program offers a competitive cost-per-credit, emphasizing personal growth, individualized learning, and practical skills through small class sizes and a compassionate faculty. The Human Resource Management concentration prepares students for HR leadership roles by developing skills in change management, employment law, workplace ethics, and dynamics. The program builds strategic leaders with expertise in problem-solving, data-driven decisions, and management, while emphasizing empathy, ethics, and moral leadership to effectively support both employees and organizational goals.

What You'll Learn

Caldwell University's MBA in Human Resource Management develops essential skills for HR leaders, including delivering solutions for organizational challenges and recommending strategies aligned with company goals. The program emphasizes risk management, ethical practices, and valuing inclusion while fostering collaboration and promoting consensus. Students learn to build strong relationships with stakeholders, align employee competencies with business objectives, and communicate clearly and effectively.
