

Master of Business Administration, Concentration in Organizational Leadership

Program Overview

Fully accredited by the Accreditation Council for Business Schools & Programs (ACBSP), the Caldwell University MBA program will help you achieve your personal and career goals at a highly competitive cost-per-credit. Strong emphasis is placed on personal growth and individualized attention to learning through small class size, practical skills and compassionate faculty who focus on practice beyond theory. In today's global economy, organizations are in need of dynamic thinkers, keen problem solvers, and forward thinkers who know the value of empathy and lead with purpose. Courses in this concentration focus on leadership skills.

What You'll Learn

Caldwell University's MBA in Organizational Leadership equips students with essential leadership skills, including problem-solving, effective communication, and active listening. The program emphasizes learning from diverse perspectives, developing relationships, and fostering teamwork. Students learn to identify and cultivate leadership potential in others while understanding the business environment and conducting themselves with integrity, ethics, and strategic thinking.
